(The default criterion used when generating the Sandwich list is "Hot," which is a combination of date posted (desc) and score (desc))

(The button will be shaded black when selected and shaded white when not selected)

(These toggle buttons control the order in which the items are filtered (down-arrow for descending order and up-arrow for ascending order))

(The placeholder text will be a lighter color than user input)

(a border or a different style will be applied to better distinguish between the Hub page and the My Sandwiches page)
